FREW, CAMPBELL & HART,

No. 25 and 27 Fourteenth Street, WHEELING, W. VA.

The Intelligencer.

WHEELING, W. VA., MAY 12, 1888.

In the death of Dr. James Drummon the Methodist Church loses a grandold figure and an eloquent preacher. Two Kentucky jurists are having

their little differences ventilated in a law suit. When judge sues judge then Justice weeps indeed. The published statement of the First

plus of \$31,000 and undivided profits of THE ciphers that please Ignatius Don-

nelly most are those that follow a numeral in figuring up the profits on the sale of his cryptogram An exchange speaking of a young man

munity in which he lived he had. A CLUB house of the Harvard students in Cambridge was raided by the police,

and more bottles than books were found. Cambridge is a local option town. vania, made his speech on the Mills bill cooled, and as a consequence the case

Hon, William L. Wilson's argument. was sold last Saturday for \$50,000, the creet in their amatory correspondence dicate, and inasmuch as the stockhold- it is expounded by Ovid. Well selected stock, there is a good deal of soreness avowal of affection never convulse

than one wife can still retain them and stand it, why it is presumed the public be good Methodists. It was seriously referred to the Committee on the State

record on Civil Service reform. There a steel mill. During a torturing absence lieved he was sincere in his promises, but when they read the facts and figures of a letter. His place of exile is Chicagiven by the Club the scales will drop go, and the fever of his passion is se from their eyes. The Mugwumps after consuming that he is compelled to seek they have perused the arraignment of a place on the cool shores of the lake to the President will undoubtedly hire write. He must have felt comfortable in some persons to kick them.

The doctors of the country in session He scribbled as follows: at Cincinnati have denounced the quacks." But will not the quacks still quack? In this connection the tolegraph contained a rather amusing story. A leg's Magazine, I bend my steps towards street faker was arrested for practicing the cool, shady banks of Lake Michigan, without a license. The immediately and sit me down to write my thoughts showed a diploma, remarking that when he was a good doctor he starved; now me all night and all morning." that he was a quack he was getting rich. This, however, was 'not saying that his dress it must have been he who was do-

THE glue manufacturers of the United nearly ghost-like as po on the free list as proposed by the Mills but the poetry he writes should send bill. The petition claims that there are him up for life. Its irrelevancy to love \$6,000,000 invested in the ninety-five affairs moves us to reproduce it. It is serts that any reduction in the present will do any damage. Here it is: serts that any reduction in the present rates of duty imposed would result in the destruction of this industry in the United States, the loss of immense sums of money now invested in buildings and fixtures, which are useless for any other Wen a tiny little mouse climbs up on Wen a tiny little mouse climbs up on fixtures, which are useless for any other purpose, and would throw out of employment a very large number of men.

Electric Street Railroads. The Wheeling Railway Company now operate their cars from Tenth street down as far as the Forty-second street stables of the Citizens Company, and are pushing on southward with their poles and wires. They expect to reach Boggs Run perhaps this mouth, and their terminus at the Benwood ferry landing by the 1st of July. By that time both companies will use the line in common, including also the North Wheeling route, above Tenth street, making a continuous his mind as to his poetical abilities, and line of five miles from North Wheeling meekly confesses he is no Byron. He to Benwood, over the whole of which the fare will be, as now, only five cents.

Up to this time the new road, running country, now sixty in number. No

Our neighbors at Steubenville are soon to have an electric road, which will be their first street car line. Heretofore they have been debarred from such a convenience by the cost of operating street cars by horse power. The relative cost of operating cars by the three methods known as electricity, horse power and cables is given in a late issue of the Chichgo Tribune (as the calculation of experts) at the following ratios:

RLECT. HORSES, CARLES
1 0.54 0.81
1 1.45 1.00
1 1.45 2.00
1 1.47 2.01 8.35 1.7 7,37 7.74 How far this table is of universal ap-

ing is in the increase of speed gained deserve: and the consequent diminished numpossible as yet to ascertain the relative

This line when completed throughout \$8 00 its entire length will be an unusually tricity, and the fare will be, we presume, onsiderably below the average. Certainly five cents for five miles is a very low fare. It will only be five-eights of the present commutation fare between Wheeling and Benwood on the steam coads, and less than half their regular even if he had he was engaged in a highly

The route between Boggs Run and county road route in order to avoid of later years. nconvenienced and delayed them it has National Bank of Grafton shows a sur- not prevented the very desirable con- States the Republicans can Carry With the summation of connecting Wheeling, Benwood and Bellaire by this cheap method of increased intercourse.

the world lasts, containing "thoughts which 201 are necessary to a choice that breathe and words that burn." To Here are the States and the number of says "he had a mania for clothes." It is third parties the seemingly innocent to be hoped for the sake of the comdeclarations of affection and devotion candidate. We make no suggestion as appear very ridiculous, especially when they are read in open court. These amatory effusions are the sport of the dissecting lawyer, who dwells unctiously on the endearing phrases and tender words. Of late we have a great many Hox. William L. Scott, of Pennsyl- instances where passion has suddenly vania, made his speech on the Mills bill goster, and as a consequent the Case where the case is speed thrown into court which has been thrown into court which has brought out to the cold and unsympament, and a worthy companion piece of Hon, William I., Wilson's argument. men would learn by the experiences of Tun Kingwood & Tunnelton Railroad their unfortunate fellows to be more disamount of the mortgage debt, to a syn- and get the art of love down as fine as ers, outside the syndicate, lose their terms of endearment and a dignified court or amuse the public, but it is the That was a startling connudrum propounded to the Methodist General Conference by a delegate from China, asking be no cure for this class, and if they can be no cure for this class, and if they can weak and silly vaporings of the "Baby

The latest case that is furnishin amusement is on trial in Pittsburgh. The defendant in the case was a lover The Union League Club has hauled who not only "sighed like a furnace," Cleveland over the coals in exposing his but, who actually worked at one in were a few deluded persons who be- from the side of the fair one he imparts his costume had anything to do with it. He describes it with great particularity

> "Attired in undershirt, slippers, ligh pants, and linen coat, and armed with me all night and all morning."

Judging from the description of his ing the haunting, as his apparel was as States, in session at Washington, have filed a strong protest against placing glue | July day is taken into consideration, glue factories in the country. It also as-

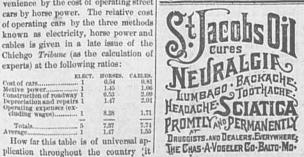

And the healthful spring is gone;

He asks his love "if he isn't quite a poet," and unnecessarily pleads with her 'not to tell anyone." Once again he is seated by Lake Mich-

igan's pleasant shores and the delicious ly comforting thought comes to hin "that the same sun that lights up the horizon of his happiness shines for her." Having left Chicago and the inspiring lake he writes from home a very touching letter. He seems to have changed

writes: "I shall not attempt to answer your as it has only between Tenth and that covers your's from beginning to end missive with the same poetical fervor Twenty-seventh streets, has had but a limited patronage, made all the more while you are walking the glorious pavelimited patronage, made all the more limited, perhaps, by the apprehension that electricity is apt to magnetize and disorder watches. This apprehension seems to be a matter of pure imagination as respects watches carried on the persons of passengers occupying the body of the car. So far as known a watch thus carried is not affected in the least by the electricity of the motor in the cab or pilot house. This is the expericab or pilot house. This is the experi-ence on all the electric roads of the The last few weeks, Pet, have been goldcountry, now sixty in number. No complaints are anywhere heard of such to an eternity of bliss in the coming future. We can make each other happy, Pet, if we will each do as we should, my
